## Education

Bachelor of Science in Mechanical Engineering

September 2021 - Present

*Brigham Young University - Idaho*

Rexburg, ID

- 3.5 GPA
- Relevant Courses: Strength of Materials, Mechatronics, Machine Design, Thermodynamics, Diff Eqn
- Utilized SolidWorks to model an electric guitar, fork, spoon, wheel, exhaust manifold, and a swivel joint

## Work Experience

Product Engineer Intern

January 2026 - April 2026

*Hocker North America*

Stuart, FL

- Designed a line of new automatic pneumatic blast gates for dust extraction ducting ranging from 6" to 24"
- Created a manufacturing process for blast gates, worked with local manufacturing to get parts made, set up production station, created a parts list with number system, and made an assembly SOP for future production
- Assembled two dust collection systems for woodworking businesses, assembled a dust collector and hung ducting

Sales Representative

May 2025 - July 2025

*Moxie Pest Control*

Colombia, MD

- Gained sales skills such as integrity, persistence, resilience, problem solving, and building human connections

Full-Time Volunteer Representative

December 2022 - November 2024

*The Church of Jesus Christ Latter-day Saints*

Antipolo, Philippines

- Learned to fluently speak the Tagalog language to support church members, local church leaders and introduce new people to The Church of Jesus Christ of Latter-day Saints
- Led twelve missionaries including Filipinos, Americans, and Polynesians and led weekly two-hour training meetings
- Managed over 60 rental properties, negotiated contracts, coordinated repairs, and gave training on proper apartment care
- Systemized bimonthly distribution of materials to 140 volunteers, and organized international travel of missionaries

Private Contractor

January 2022 - December 2022

*Delta Millworks*

Austin, TX

- Operated and maintained woodwork machinery such as belt sander, bandsaw, planer, brush machine, paint sprayer machine, and torch machine
- Ensured high quality of over \$50,000 in products each day by inspecting each piece before packaging

Busser

July 2021 - August 2021

*Lupe Tortilla*

Cedar Park, TX

- Demonstrated hard work by cleaning 30 tables, kitchen, bathrooms, washing dishes, and removing trash
- Improved communication and teamwork skills with a team of three managers and over fifteen coworkers

## Skills/achievements

- Earned rank of Eagle Scout at 14 years old
- AutoCAD, SolidWorks, OnShape, Excel, Python, Photoshop, Mathematica, Arduino IDE
- Resided outside the US twice, became fluent in Tagalog, and learned effective communication across diverse cultural backgrounds
